**Subject:** Docket 95-116

To whom it may concern:

My name is Josh Braun and I use a cell phone. In fact, I have no 'land-line.' My cellular phone is my only phone. Hence, I fully support the proposed requirements for cellular service providers, which will allow me to **keep** my same number if and when change provider or plan. My only concern is that cellular providers will simply pass this new rule on to consumers as yet another tax or fee. Please push the carriers to accept this new functionality without allowing them to nickel and dime their customers to death.

Sincerely,  
Joshua D. Braun
